Judy's soulful, heartfelt songs, with 4 great duets #10 being featured on an Easter show, National TV in '95 10 MP3 Songs GOSPEL: Country Gospel, GOSPEL: Contemporary Gospel Details: JUDY WELDEN BIO Always writing songs and singing them from her heart, JUDY WELDEN is grateful for her gifts and gives GOD the glory for them. Now residing in northeast GA, Judy was born in PA, later moving to WV, MO, with the longest portion of her musical career in FL. Her natural harmony ability comes easily, having been able to hear and sing several parts at age seven (7) when she sang in church with her family. Judy has sung from numerous stages, including the Ryman Auditorium in Nashville, the original home of the Grand Ole Opry. Soon after her first Christian album, FOREVER GRATEFUL, was released, Judy had several concert dates to perform the songs therein. One such concert was with MARVEL and they sang songs together including his hit of the 60's (LOVE CAN MAKE YOU HAPPY) when he was the lead singer with the group MERCY. Judy penned seven (7) of the ten (10) songs on the album and the lyrics, mentioning which scripture verse inspired the song, are included. Her favorite song, however, is one written by BETTY JEAN ROBINSON called MY SAVIOR'S PRECIOUS BLOOD. Judy's version was chosen to be played on National TV on a show called WAKE UP AMERICA during the Easter holiday the year it was released. All songs but one have been released as singles and have charted on the MUSIC REVIEW chart out of New York. All glory is given to the LORD JESUS for this recognition....and for the awards listed below. Ten (10) of the twelve (12) songs on her current album, GRACE, were written or co-written by Judy. Three (3) are sung as duets with her producer, PHIL COLEY, who co-wrote two (2) of the songs. Three (3) are co-written with her friend, RHONNIE SCHEUERMAN and two (2) are co-written with friend, TERRANCE ALAN, including the title cut, GRACE. Judy alone wrote three (3) of the songs and one was written by FRED LEONARD. Except for THE HEAVEN EXPRESS, which has been released

as a single and charted at #2 in the fall of 2000, all the songs are new as of the year 2000. The first song on the album is a patriotic duet, (ONE NATION), co-written and sung with PHIL COLEY. This song along with two others, CHURCH CALLED THE RISEN SON and ABSTAIN - DON'T PLAY THE GAME, (which is dedicated to the youth of today), went to #1 on the MUSIC REVIEW chart. Last on the album is the Christmas song, WHAT I WANT FOR CHRISTMAS (IS UNCONDITIONAL LOVE). Judy had so much faith that GEORGE BUSH would be elected President that she sent him the song ONE NATION the day before the election, telling him it was his "Victory Song". She was thrilled to later get a 'thank you' card from the White House! Over the years Judy has received many awards and nominations. In 1998 she received MOST PROMISING FEMALE VOCALIST / NEW GOSPEL. Other awards are: INTERNATIONAL FEMALE RECORDING ARTIST OF THE YEAR, ALBUM OF THE YEAR, SONG OF THE YEAR, AMERICAN HORIZON and CO-WRITER OF THE YEAR. (1999).
