

Mp3 Justin Farren - The Sound Of Flight

[DOWNLOAD HERE](#)

Groovy, thoughtful, acoustic music with lyrics that remind you of yourself. 13 MP3 Songs FOLK: Folk Pop, ROCK: Acoustic Details: Justin Farren paints pictures with his songs. His lyrics, while firmly rooted in the reality of day to day life, often express his own doubts, humor, and experiences. Listeners can't help but smile as Justin takes them on descriptive journeys through his own humble observations. A native to Sacramento, Justin has written thoughtful, engaging music since eighth grade graduation. His influences include Greg Brown, Bob Dylan, and Ben Folds. On "The sound of flight", Brian Rogers, an outstanding drummer and percussionist backs up Justin's guitar playing. There are guest appearances by Andre Fyelling on piano, Kerry Marshall on organ and backing vocals, and Devin Farren on Harmonica. "The sound of flight" is an ENHANCED CD. You can put it in your computers CD-ROM drive to watch Justin's award winning music video, "We Don't Work", and read an extended bio. Justin thanks you for your support.
