Live recording including a 4 piece string section and a full band. Tin Angel really captures the passion of the band, as well a variety of arrangements of their tunes. 13 MP3 Songs ROCK: Acoustic, FOLK: like Ani Details: One of Love Syndicate's own lyrics best captures why this Philadelphia based band is gaining notice in the world of music: "When you're in dire need for something real." Love Syndicate has been baring its soul all along the East Coast since the band's inception in the fall of 1998. The funk-inspired rhythms, mournful string arrangements and honest lyrics are a true break from the pop norm -- a challenge from Love Syndicate to music itself to embrace passion in every note, in every verse. They have shared the stage with many national acts, such as Crosby Stills and Nash, Busta Rhymes, and Mike Clark's Prescription Renewal, featuring Fred Wesley of the legendary JB's. In every setting, Love Syndicate has been continually growing a dedicated fan base. For guitarist and singer Joshua Komorowski, writing and performing music is not a whim, but a personal commitment. Love Syndicate is the realization of his signature sound; they play what he envisions. His presence, talent and poetic sensibility form the core of the band's broad appeal. Whether a solo performance or a legion of players, Love Syndicate never fails to captivate the audience.
