

## Mp3 Make Lisa Rich - Another Venus

[DOWNLOAD HERE](#)

Original power-pop trio. With roots spanning nearly 4 decades, Make Lisa Rich plays the kind of smart-pop-music that will keep you humming their tunes long after the CD has ended. 11 MP3 Songs

POP: Power Pop, POP: Beatles-pop Details: Another Venus proves to be MLR's best record yet. With the successful release of outsmarted in 1998, MLR quickly followed up their debut with a CD of world-class proportions. Excellent songwriting, arrangements and fidelity reminiscent of the Beatles and Nirvana. One of the most interesting rock albums to come along recently. This is a real band, no samples, no loops, no tricks, just good tunes.
