This CD has a stunningly wide array of children's songs and stories. Several of them have been on iParenting Media and Parent's Choice Gold Award winning CDs. This CD is a delight in its sheer originality. 13 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: Children's Storytelling Details: After having been a voice-actor for several Saturday Morning cartoon and animated features, Michael began his own children's recording label: Michael Mish Music. Since that time in 1988, his music has earned him an Emmy for his TV special, The New York Film Festival Award, The Parents Choice Gold Award, and several iParenting Media Awards. Michael has spoken before the UN's General Assembly and traveled widely speaking to children about good environmental stewardship in a way that has been both entertaining and fun. He is currently creator and host of his own children's world travel show called A KIDS EYEVUE.
