A spiritual, ecstatic groove that blends rock, reggae and jazz with electronics, Indian and trance-dance grooves. 9 MP3 Songs WORLD: World Fusion, ELECTRONIC: Trance Details: "Think Enya meets Eryka Badu...an intrinsic tribal sort of vibe." (DiscoveringArtists) A hip blend of reggae, jazz, African, Indian and trance-dance grooves, vocalist, songwriter and keyboardist Phyllis Addison crafts stunning melodies while her partner and bassist Dean Foster, sculpts wicked grooves. The songs pull us in at first listen and then, with plenty of texture and harmonic content, keep us there to navigate the depths. This fresh, new sound blends traditional rock band instrumentation with Sarod, Bansuri Flute, Udu and Didgeridoo. A masterful weave, "Seven Gifts" works on every level. "The music and your voice are fabulous...the recording is really fun, dynamic and inspiring." (Talentpool) "An enchanting change of pace from the usual fare." (OutSmart Magazine) "The tone of her voice is like liquid crystal...a crystalline quality, yet warm and fluid as it bridges musical styles from Sanskrit chanting to transcendental funk."
