Hip-hop's illest female artist- grooves so deep that they will leave ruts in your CD player. 11 MP3 Songs
HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Rap Details: Cali born and raised, master of the mic, stage, and crowd. This vibrant artist is determined to make her mark. With credits under her belt from local access cable shows, to opening for major recording artist, to appearing on national TV and cable programs. She has been building a name and reputation as the hardest female MC. It's been years since we've witnessed an authentic female MC. Cali has birthed

Ricoshade..... This seasoned artist has been paying dues hitting The Black College Tour circuit, opening for artist such as Ludacris, Mystikal, Ice Cube to name a few. Nationally she has been seen on The Keenan Ivory Wayans Show, where she was then invited to Showtime at The Apollo, MTV's The Cut with Lisa "Left Eye" Lopez and to return to the Keenan show for two more visits. Since then Ricoshade has been pruning her skills as a writer and fine tuning her stage show to become the deadly triple threat she is today. She is inspired to make a presence in the industry and fill the void of the "Female MC". Ricoshade has thrived on delivering classic verses and giving explosive stage shows for years she has been writing for other artist mostly focusing on kids but more recently she has begun to branch out as a serious ghost writer. Ric's dynamic versatility enables her to blend well with artist from an array of styles and genres of music. To name a few her affiliation with Verbal Skills an underground hip-hop group keeps her true to her artistic flow. Her tenacity with The Castle Family a down south ATL flame spitting crew keeps her flavorful and vibrant. And her street edge lyrics derive from her involvement with Paeroll and Players Only Cali's New Dynasty keeps her grounded. Until the next chapter we leave you with this, "I refuse to get done...when I do get my break...the industry better watch out because I'm taking it by storm. Believe that SHIT!"
