A true hip-hop album both creative eclectic, also has a couple of ghetto classics. BUT if you like raw lyrics you have got to check out #15 Se7eN Deadly Venoms 15 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Rap Details: Se7en is one of the most energetic emcees to come out of Houston. He can be heard on some of the best underground Cds around. Not only is he featured on the underground scene, but Se7en has features on the debut release "Tha Whole Nyne" from Houston's Hottest R&B group, Ill Artyst. His technique for standing out in a crowd has lead way for a multitude of opportunities. Because of his lyrical ability, it was only a matter of time before he would drive himself in the studio to produce his self-titled debut album "Se7en". This cd includes some hard hitting ghetto classics like "7 Minute Workout" which features Se7en's mother "Peaches" singing background and "A\$\$kicker", a demonstration of lyrical demolition on the Mic. Se7en also took this record back to the old school with features from local DJs putting it down in the mix. If you like hard-core old-school rap, this is the album for you.
