

# Mp3 Terry Everett Quiett - Paperdoll Spokesmen

[DOWNLOAD HERE](#)

"Terry's CD [Paperdoll Spokesmen] is on my top 15 for the year, just behind David Wilcox, and ahead of Alison Krauss. The production is superb and the songwriting strong. He reminds me of Greg Greenway with a darker edge." 15 MP3 Songs FOLK: Modern Folk, POP: Folky Pop Details: "Terry's CD [Paperdoll Spokesmen] is on my top 15 for the year, just behind David Wilcox, and ahead of Alison Krauss. The production is superb and and the songwriting strong. He reminds me of Greg Greenway with a darker edge. I like it more each time I hear it." - Lee Larcheveque, The Acoustic Caf, 91.1 FM WMUA, UMass, Amherst "Paperdoll Spokesman is a powerful CD by Terry Everett Quiett...the music on the album is amazing. The music takes the lyrics and transforms them into something more, into a journey as opposed to a long stay...and then there is the last song on the CD, "All Good to Me." The lyrics are simple, but then it switches to a Middle Eastern chant, and the raw power in it is amazing." - Paul de Bruijn, Rambles - A Cultural Arts Magazine "Whether lamenting the plight of laid-off workers at a plant in his hometown of Winfield, Kan., or speaking eloquently about the aging process, Quiett is a gifted writer, equally at home with prose and straightforward observations. Quiett's vocals maintain emotional intensity throughout the album, as he moves from vulnerable pleas to gruff defiant statements...well-constructed tunes end strong, revealing, careful thought to the songs' construction." - Pitch Weekly, Kansas City People who are interested in Shawn Colvin Martin Sexton Jackopierce should consider this download.
