New style trip hop with fascinating rhyme vocals and lush instrumental soundscapes. This is it, THIS IS THE THOUSANDS. 14 MP3 Songs HIP HOP/RAP: Trip Hop, HIP HOP/RAP: Alternative Hip Hop Details: DH6 PRODUCTIONS PRESENTS...THE THOUSANDS!!! The Thousands are M-Flow and Plovo, a psychedelic hip hop combo based in Hollywood, CA specializing in downbeat instrumentals and fascinating rhyme vocals. The band takes full responsibility for the writing, recording and performing of all the material that they conceive at Preflo Studio and release through dh6 Productions. "Circulation" is a fourteen song composite ranging from lush downbeat instrumentals to grittier vocal hip hop tracks that is taking the Los Angeles underground music scene by storm. By utilizing accoustic and electric instruments in conjunction with obscure samples and sturdy drumbeats, The Thousands have fused boundaries with music and lyrics that mutate far beyond the perceived borders of hip hop. Be on the lookout for new tracks by The Thousands to be released later this summer, including two collaborations with emcee Namaan Norris that have blown away crowds at recent live shows in the Los Angeles area. "I couldn't just classify it as hip-hop music...the delivery is straight forward and articulated, dude's got skills and drive, dangerous for the drunk bling-bling ding-dongs." The Aspot Magazine, Atlanta, GA. "No doubt, The Thousands are on that next sh\_t!" DJ Dr. Fumanchu, Atlanta, GA. "...with this album The Thousands have themselves poised to drop trip hop bombs in 2003." J.C.C.-Sliding Moon Press, Los Angeles, CA. \*
