Urban Soul R&B Asian 11 MP3 Songs URBAN/R&B: Soul, URBAN/R&B: Contemporary urban Details:

Asian singer-songwriter with soul both in her songs and vocal, nothing you have ever heard of in Asian

Urban R&B music! Her lyrics, like - "We worship technology, Companies eat away your personality."

"Living in Babylon, when will we find the truth of everything?" address issues with the human kind not only native to Asia, but also in a global perspective. Beautiful voice and falsetto, Urban and R&B feel with a lot of soul.
