Details: BobbleHead Dog contains some of my favorite tunes from my first two CDs and some new tunes as well. I chose to call this CD BobbleHead Dog because the title song went to Number One on the Soundclick Rock Instrumental chart in February of this year. My first NUMBER ONE! Yeah, me! The CD also contains Long May His Spirit Soar Free, a tribute to my good friend Keith Beal. I was accompanied by our band mate Bill Stephens on bass guitar. I sure hope y'all enjoy the CD. I'm real proud of it. I share a lot of Jam Trax with the fine pickers in the Jam Zone at The Les Paul Forum and The Fender Forum. I invite you to drop in and listen to what some REAL PLAYERS can do on one of my melodies! I'd appreciate it if you'd drop a comment about the CD while you're giving the tunes a trial spin. Thanks!
