

The Green Movement In Iran - Hamid Dabashi

[DOWNLOAD HERE](#)

These passionate, often strident essays, largely written as events were unfolding, represent Dabashi's effort to explain, understand, and interpret the Green Movement . . . In the end, Dabashi's view is that the Green Movement was a civil rights movement and not a revolution against an Iranian government that had lost legitimacy.

—C. H. Allen, iChoice/i

The Green Movement in Iran/i presents Dabashi's account of Iran's June 2009 election, its tumultuous aftermath, and the characteristics and aspirations of the emerging Green Movement.
