According to Jesus Himself, even better than having Jesus with us is having the Holy Spirit within us. Yet many believers have trouble, just as Jesus disciples did, understanding how this could be. Better Off Without Jesus takes readers on a journey toward embracing the presence of the Holy Spirit within and guides them as they seek to understand and obey the voice of the Spirit in their lives. Readers will construct a biblical grid for discerning Gods voice and get the tools they need to stay in tune with the Spirits direction.
