Alphabet Rockers is the first release for the label. Turn it up loud and proud! What folks are saying... "It's about time there's a fresher approach to educational music!" K Teacher, Kern County, CA "My daughter likes it... I like it - this has not happened before with kids music." Mom, Berkeley, CA "Impressive - sounds like no other children's music I've heard before." Former PBS Producer The children love Alphabet Rockers! It

has really added something that was missing in the curriculum. They are learning the words and joining in the singing. The kindergartners use words like cool and great when I ask them what they think about the songs. K Teacher, Belmont, MA My kids are digging the Shape Rap... it's their favorite. Oh my lord, if they ask to hear the Shape Rap once, they ask a thousand times! 2nd Grade Teacher, CO All the kids love Countdown Boogie Down they all started dancing once we put it on! Mom, Foxboro, MA
