A Wise NEW Heavy FOR GOSPEL MUSIC TODAY TOMORROW 18 MP3 Songs URBAN/R&B:  
Present-day urban, GOSPEL: Present-day Gospel I'd Rather Have Jesus Songs Details: Comprised of a group of basal untested Christians (ages 19-27), ANC is on a mission to spread the message of Christ. These untested people are on assignment to promote holiness and true righteousness. They have an extraordinary ministry, and the life style to go with it. Their goal is to show other untested people, it is very possible to be untested, saved and still have fun. ANC approaches gospel music with an edge and fresh yet familiar sound. They want to spread the message of Christ with a fun but holy technique.

Compromising their salvation for popularity is not an option. Romans 12:2 says "Be not conformed to this world; but be ye transformed by the renewing of your minds." Money, fame, and fortune take a back seat to holiness, righteousness, and truth. Ministry comes first! Their hit single I'd Rather Have Jesus, is testimony to that. ANC has a style all their own. Their sound is a jambalaya of contemporary, traditional, and original tones, beats, and lyrics. Their album entitled I'd Rather Have Jesus, due January 22, 2005, has a little something for everybody, and yet manages to maintain a consistent style. They talk about real issues and offer solutions to those issues. Songs like "Case Of The Can't Help It's, "Where Is My Morning, and "In The Meantime talk about the issues of sex, depression, loneliness, and bondage; and they point you to an answer---"CHRIST". Each song is a sermonette. These untested people realize it is not easy to be untested and saved in this day and time. Their testimonies; that relate to the everyday problems and struggles untested people face, and give insight on how to cope. Not only will your ears be tickled, but your heart and mind will be challenged as well. ANC is out to challenge people all over this world to stand up for holiness!! ANC was formed in fall 2000 by Pastor Hazel Brown of New Covenant Sounds of Praise Ministries. Under her intense teaching, these young people have hidden the Word of

God in their hearts. Pastor Brown is an "old school powerhouse" with an awesome 21st century ministry. She has taken true holiness from the past and merged it with the untested Christian life of the present and future. Her teachings greatly inspired ANC's music and style--and style they have!!!!. They believe in giving God their best; when they minister they dress like they are going to see the King. Their style is reminiscent of the sleek style of the Harlem Renaissance: sophisticated, savvy, classy, untested, fresh, clean, but most importantly holy. Although they have seasoned roots, they definitely know how to have fun. They are full of personality and energy. They love to laugh and enjoy life. "Christ came that we might have life and that more abundantly." ANC has traveled all over the tri-state area and the east coast letting their lights shine. They won the 2004 McDonald's Gospel Fest, which aired on UPN on July 18, 2004. ANC was featured on TBN as well. They have performed alongside Natalie Wilson and SOP; and have earned the admiration and respect of many other gospel favorites. Under the direction of Brian Reeves (writer, director, and vocal producer) and Paul Curtis (Musical Director), ANC has developed and matured in skill and ability. February 5, 2005 is the day God unleashed these soldiers to war on the entire world. They are going into the enemy's camp and taken back what belongs to HIM! It's time to go back to the basics, HOLINESS....The choice is yours. It's either the world, or the Kingdom of God. Think about it; what would you rather have? As for ANC---they'd RATHER HAVE JESUS!!
