Contemporary Nairobi style "benga" 7 MP3 Songs WORLD: African Details: The late Ochieng' Kabaselleh had over the years crooned his own brothers to join him form two bands - Lunna Kidi which he led and later Bana Kadori led by his brother Barry Odindo Kadori. Bana Kadori retains the distinctive Kabaselleh style while continuously improving on it with their own unique compositions. The three brothers are the cornerstone of Bana Kadori as a group. The eldest son, Onyango Kadori and Odindo Kadori are at home with vocals while the "baby" Omondi Kadori provides a lovable rhythm guitar works. The band has earned a place in the hearts of serious music fans in Nairobi and beyond. This is their first international release to be followed by many more. If you love Kabaselleh, this is for you!
