Mp3 Closer To Carbon Ii - Electronic: Virtual Orchestra

DOWNLOAD HERE

The soundscore for the film that they will someday make about your life. 9 MP3 Songs ELECTRONIC: Virtual Orchestra, JAZZ: Free Jazz Details: Three years in the making, Closer to Carbon II further refines the genre of scores for unmade films - born with their critically acclaimed debut release. Featuring nine new compositions for spike fiddle, cello, double bass, clarinet, percussion, business shoes, toothbrush. "...The instrumental group's sound is skronky, technical, and sometimes atonal, and gives an impression of forward movement, of things happening..." -Hiya Swanhuyser, SF Weekly we call it the sound of three hands applauding.
