Details: Whether its writing, arranging, producing or performing, DOHN wants his songs to bring a fresh spark back to music listeners and concert audiences alike. For people to truly give R&B music the respect it deserves once more, this promising vocalist thinks that artists must take the high road and avoid recycling tired rhythmic and melodic clichs or cloning mindless old forms on new music beats. Since his beginnings as lead and background singer on a four month European tour, he followed this success by singing lead vocals on "The Promise Land" (by Joe Smooth), which ran up the charts all the way to 1 in Europe and making Billboard 's "Hottest Club Hits" chart. He has opened the bill for such superstars as K-Ci JoJo, the ultimate diva, Mrs. Patti LaBelle, and The Average White Band, GLC'S Priceless. With these experiences, he has made a name for himself within the music industry. In Addition, he has over 100 songs in publishing, and writes and produces his own music.
