Fresh Contemporary Christian with a message everyone can relate to... something for everyone. 6 MP3 Songs GOSPEL: Contemporary Gospel, COUNTRY: Country Pop Details: Jumping up and down on the couch, singing into her toy microphone at age four [mimicking a church choir member], Elizabeth Delores Steele, born in June of 1985 in Plano, TX, was not only captivating her audience [mom and dad] she was undoubtedly already beginning to realize her destiny. Now at age 18, through the use of her musical talents - the gift of song laced with God's mercy - Elizabeth is able to communicate to an audience of all ages, the message and hope of Jesus Christ. While growing up in Dallas, TX, Elizabeth developed a life-long affection for her church family. However, in the summer before her senior year in high school, the Steele family made a move to the small, Arkansas town of Monette, where her father grew up. This emotionally charged and an often painful change [of leaving her friends behind] only brought her closer to God. She views this event as a life altering experience that allowed her to discover a part of herself she had never known. Pouring herself into prayer and her bible, she was inspired from a fresh perspective. Elizabeth began a solemn pursuit of her musical career: "[...] of course there is nothing that I put before God, but as a work for Him, music has always been the foundation for my dreams. Now, with His help, music is assuming the role known as Elizabeth's Life [q: E. Steele]." Although winning multiple awards and setting new sales records may appeal to her [as to any artist], they are not her ultimate goals. Elizabeth's ambitions are driven by a desire to win souls for Jesus: "In the end if I don't achieve fame, wealth, and celebrity status, I will know it's been a joyous life; having lived a life in service as a witness for Christ [q: E. Steele]." This six-song disk is Elizabeth's first, but not last, tribute to our Lord Jesus Christ!
