It's a funky smooth Jazz and R&B, fused with Inspirational and Gospel Overtones. Definitely music for the soul. A MUST HAVE 15 MP3 Songs JAZZ: Smooth Jazz, GOSPEL: Contemporary Gospel Details: Whenever there is a newly found expression of life people open up and take notice. Keeping in mind that there are many meaningful and beautiful things already in our universe, but to discover such a package of creative dimensions you may want to take hold and cherish it. Ellis Phelps The Song Writer, The Producer, The Musician of Jazz, Gospel and R B expressions is a native of Central New Jersey. He comes from a family of excellent musicians. With such a natural God given talent, Mr. Phelps' music is enriched with a passion that creates healing and soul felt melodies. As you begin to listen to his recordings prepare yourself to be uplifted from original songs that are pure and soulful. By delivering a musical message and journey of truth, faith and understanding this has become a masterful workmanship. Mr. Phelps now resides in Decatur, GA. While there he has grown to truly appreciate his talent. His immediate goal is to share with the world something musically special, unique and Godly. Working with Vocalist William Swann on "Sedona Crusin'", "Because of you", "Here with me", "Everywhere you go", "How It Came to be", "By my side" and "Unwind" had to be one of the greatest unions between vocalist and producer that I have heard in a long time. The Slam Vet Poet Wayne "Breeze" Watson on "A Writer Now" and "Ghetto Rose". You be the Judge. The newest addition to Exsousia Entertainment Group Vocalist "Bridgette Levi" on "Outta Here" and "Mi Yaddah" Vocals smooth as silk, *****HER DEBUT CD IS ON SCHEDULE FOR DECEMBER 12TH 2004 LOOK FOR THIS SOON.***** Vocalist Scott Walker "Mi Yaddah" The Busiest man in the game. Vocalist and Poet "Triston Du Shane" on "Dark Love". Holding his own. Saxaphonist James Howard is without a doubt one of the best I've worked with. It's a treat to listen to him on "Sedona Crusin'" and Everywhere you Go. The

talented "Kim Hamilton" for his Guitar work on "Sedona Crusin" and "Unwind". Trust me you have not heard the last from this one. Working with talent like this is what this is all about. This Project is: It is inspiring and uplifting, funky, smooth and upbeat. It has gospel overtones, a touch of acappela and the refreshing sounds of jazz. He has somehow managed to fuse jazz, gospel, spoken word and R&B and make it flow as if it was supposed to be. He didn't miss. I use it to "Unwind" and stress management. That's what it's all about! This project is a jewel in the rough. --- Dr. William Jones Founder of Next Student Academy of the Arts Phoenix AZ
