

## Mp3 James Warfield Jr. - Straight Horn

[DOWNLOAD HERE](#)

HipHop Mix With A Little BeBop and smooth jazz 10 MP3 Songs URBAN/R&B: Funk, JAZZ: Smooth Jazz  
Details: STRAIGHT HORN - CD If you like the sounds of the Legendary Grover Washington Jr., and Kenny G, you are going to love this saxophone player. This young man has been playing the horns since he was five years old. Blessed with outstanding skills James Warfield Jr has various gigs throughout the United States. This CD has a little touch of bebop a hint of Hip-Hop and a rare smooth jazz feel. James, has performed with the legend himself Dizzy Gillespie big band ensemble and has been an influential leader of his own group the James Warfield Quartet frequently playing the Saint Louis scene. James will be touring the Midwest and Southern United States this fall and we will keep you abreast of his venue. The CD Straight Horn was produced by James Warfield Jr. for J3J Smoovicious Records and co-produced by Kerry (K-Mack) Moore Sr. for Est.BoogieCity Productions. Songs one, two, three, six, and seven were written and arranged by K-Mack and recorded at Est.BoogieCity Productions Studio. For booking or info e-mail J3J Records at:estboogiecity@estboogiecity.com
