Show all album songs: The Lopez Sessions Songs Details: I was born in Twisp, WA, but raised on Lopez Island, in the beautiful San Juans of Washington State. Both my parents are teachers in the K-12 school where I learned all the good things schools teach you. All throughout high school I played with several different groups as a guitarist and singer. From punk to big band jazz to blues, I did it all (learning a lot along the way). Much of my musical education can be attributed to two men: Dale Shreve, a local jazz guitarist, and John Seaberg, a bass/guitar legend in classic rock circles. John came to Lopez for a quieter life away from the music biz (he's played with Steve Gaines, Cactus, and others), and thus I picked his brains regularly, giving me a solid background in tasteful playing and jamming. I should probably add here that Kurtis Dengler is like a brother to me, and we jam all the time. This young musical genius bears further examination; if you've seen Paul Rodgers on tour in the last year, or Electric Shades of Blue, you know what I'm talking about. Hopefully in the future we'll do an album together! Throughout college, my wife (Katie) and I studied hard at Willamette University, with both of us graduating in '06. During my tenure at WU, I won "Willamette Idol"; such a proud moment! But all of this don't mean nothing, 'cause now I'm going into music as a pro! I intend, with the help of Lenedra Carroll (Jewel, Simon Spire, others) as my manager, to set the MUSIC WORLD ON FIRE!!! If you like soul/funk, classic rock, or catchy songwriting, you should enjoy my music.
