Island, TropRock, Beach Rock 8 MP3 Songs WORLD: Island, ROCK: Acoustic Details: You might be asking what is Trop-Rock well let me tell you. It is the form of music where you mix a little country, a little rock-n-roll and a whole lot of island theme lyrics and a carefree lifestyle. It has also been referred to as "Drunk Caribbean Rock-n-Roll" Music for Tropical Nights is the first solo CD by Jeff McNiven. Music for Tropical Nights is Trop-rock in its truest and simplest form. Picture yourself on a beach, at a beach party sitting around a fire with an acoustic guitar, island drums and not a care in the world. Music for Tropical Nights will take you to this place. Jeff has been playing guitar for over 20 years and has been performing on stage specializing in this Jimmy Buffett style music since 1991, performing in bars from Ohio to Florida and east to the Atlantic Coast. His Original music has been receiving air play on internet radio stations specializing in Island Time music.
