

Mp3 Keith Robert Laurent - Imagination Tapes

[DOWNLOAD HERE](#)

Music for children's creative listening, developed to allow your child the freedom to listen and let their imagination run with the music. Each song has an announced theme and instrumental music will follow. 8 MP3 Songs in this album (26:00) ! Related styles: KIDS/FAMILY: Kid Friendly, KIDS/FAMILY: Children's Storytelling Details: Imagination Tapes Music for children's creative listening, developed to allow your child the freedom to listen and let their imagination run with the music. Each song has an announced theme and instrumental music will follow. We suggest bedtime or any time when the child can focus on the music for the best listening. It's also fun to take on a trip in the car and let your child explain what they imagine as they are listening. All song written and recorded by Keith Robert Laurent.
