Kenny Leah have received critical acclaim from the media and music industry professionals: Touching and tender, powerful and poignant. Part of Leahs appeal is her considerable talent... the rest (comes) from a genuine regard for her audience. She connects! too bad there is not a Grammy for heart and soul. She would surely scoop it up. It has been said that Leah sets songs ablaze, stir hearts, enliven memories and quiet souls. - The Tampa Tribune I truly love Kenny and Leahs version of Hearts. A superb interpretation of this wonderful classic. Leahs voice fits this choice of music perfectly and together Kenny and Leah set the mood. Kennys playing is superb as usual. Listening to this beautiful music reminds me that Kenny Soderblom is probably the best saxophone player that I have every recorded. - Bruce Swedien -- Five time Grammy winner Sound Engineer for Quincy Jones and Michael Jackson Kenny you always take care of business and its great you and Leah are doing your

thing together. - Quincy Jones Dedicated to the loving memory of Leahs two sons, who left her far too soon, Hearts was a labor of love for Kenny and Leah, born from the heartache and enduring love for her children.
