An exciting new American act that blends 80's "new romantic" sounds with modern synthpop elements. 10 MP3 Songs ELECTRONIC: Pop Crossover, POP: New Wave Details: This is the debut album from an act that perfectly blends the lush sounds and emotion of classic new wave/new romantic music with modern synthpop. The song "Wake" received a lot of positive attention both online and from the previously released CD single. The album lives up to the single in every aspect. One fan gave this review: "Ashes ashes ..." is a very demanding album that creates mysterious soundscapes which seduce the listener into a mystical world of magic.
