Punk with a piano 12 MP3 Songs POP: Piano, ROCK: 60's Rock Details: Her Smile is the First Album by Leo Cookman's full Band; Leo The Mane. Overdressed (Leo's first Demo EP) contains 2 songs that are on this album performed by the full band. Professionally Recorded in Kent using Analogue and Digital technology and the Piano, Bass Drums recorded live, the album has a very 60's sound and being Piano-led, is nothing like other bands currently around. With a "Thick" production sound and only one extra musician on the whole album (every instrument performed by the four band members) it is a definite showcase for a band using a more traditional approach to songwriting and recording. Professionally Mastered and Reproduced it is well worth the price (self-funded as it was). Check out the website to hear and learn more about the album.
