Soulful, relaxing, Country Folk, Blues in the spirit of Joan Baez, Kate Wolf, Linda Rondstadt and Eva Cassidy 9 MP3 Songs EASY LISTENING: Mood Music, COUNTRY: Country Folk Details: Mary lives in Atlanta, Georgia and enjoys singing in local cafe's, private parties, weddings, choir, etc. First and foremost Mary loves to sing, it's not just a hobby - but a passion. As far back as she can remember, she was always humming or singing along with her parents who taught her a few guitar chords. They were her only voice guitar teachers and encouraged her to practice by their example. Their love of country music was passed on to Mary and later she was greatly influenced by John Denver, Peter Paul Mary, Joan Baez and Dylan to name only a few. Mary's style leans more toward folk, country easy listening, although she enjoys most music genres including some international music. Singing in choirs has always been another part of Mary's singing enjoyment, starting with gradeschool, highschool, then church choirs. Songwriting is so unbelievably thrilling to her, when a new original is "born", it feels as though someone has handed her a very precious unexpected gift. (More of mary's CD's are listed in the left column under "links" - "Mary Atlanta Website".) Mary's voice and style has been likened to that of Joan Baez many times by her fans. Most people describe her voice as "soothing, relaxing, haunting and unique". Please give a listen to some of the song samples and treat yourself to a delightful moment of entertaining, peaceful fantasy.
