Instrumental ballads. Electronic keyboards 14 MP3 Songs EASY LISTENING: Mood Music, ELECTRONIC: Ambient Details: Maurice Horne is a composer and keyboard performer who has published numerous CDs in recent years. His latest release in 2005 is "Piano Dreams." Create your own dreams with this masterful exposition of strings and piano. Each song begins with full synth strings and then they become the background for beautiful piano ballads. A perfect background music CD for your quiet times. A classically-trained musician with both degrees in music and law, Maurice devotes his evenings and weekends to composing, recording, and publishing ethereal synthesizer and piano music. He records in his home recording studio. He holds copyrights on hundreds of unpublished songs. His music has been aired on TV on PBS. "Piano Dreams" is comprised of 14 tracks of orchestral strings and piano. This CD is a definitive one for meditative and relaxing music for whatever you may be doing. In summary, all the songs are "dreamlike" ballads. His other CDs on this website include "Pianoscapes" (2002); "Tranquility" (2003); "Soundscapes" (2001); and "The Music of Angels: 20 Traditional Hymns" (2004). Give a listen to tracks from these CDs on this CD Baby website. Note the bottom left of this page and each page you visit. He has also released "Greatest Hits" (2001) on grand piano. In 2001 he digitally remastered two CDs from recordings previously released entitled "Loves' Communion" and "Sweet Contemplations" -both on electronic keyboards. The music of Maurice Horne is music you haven't heard--and music you won't forget.
