From the early "pop" sound of the 60's to today's adult contemporary, MIXING IT UP is a combination of "Carolina Beach Music", with a little country, and a twangy guitar sound. 14 MP3 Songs POP: 60's Pop, COUNTRY: Country Pop Details: North Carolina singer/songwriter Nicky Harris has been performing since the age of 14. His influences range from the guitars sounds of the The Ventures James Burton, to the vocal styles of Chris Issack, Roy Orbison, Marty Robbins, The Righteous Brothers, Elvis. All of these sounds noticeably come through on his latest CD, entitled MIXING IT UP. Included are a mixture of songs ranging from "Beach Music" country, to a bit of the early 60's sound. Nicky even added a surfing instrumental for all the "twangy" guitar fans.
