Details: Though I have played guitar since I was ten. It is only in the last 7 years I started performing writing. I released 2 CD's as a solo performer, "No Hope but for Jesus" was released as first a cassette (remember those?) then a CD in 1999, a live album, "Live in Paradise" was released in 2000. The technical quality on these wasn't the best (I did "No Hope but for Jesus" on a 4 track Tascam (remember those?) then transferred it to a DAT made a CD) but a lot of people listened to really enjoyed that CD. It's not the technical quality that makes a person listen to a CD over over again. It's when something on that CD touches someone's heart that makes them hit the play button again. A CD should be (and the best one's are) something that takes you somewhere that you want to (or need to) go. It leaves you with something good that you didn't have before you put that CD in. It is my prayer that my CD's will leave you knowing Jesus just a little better than before you listened to them. When I was recording the CD, "All You Ever Meant", my 3rd, many people told me that some female backup vocals would add a lot. Bernadette was singing with me in the church band, so I asked her to sing. I didn't even know what she sounded like by herself, I just knew that many of the singers listened to her to get their pitch. Recording "All You Ever Meant" was the first that we sang together. It was released in 2001. After that I started asking her to come with me to some of the coffeehouses that I was singing at. Then Bernadette dusted off her flute and she came up with the name PBforJ (Paul Bernadette for Jesus). The "All You Ever Meant" CD is available at: cdbaby.com/cd/pbforj This CD, "As a Child" is my latest 4th CD. It is by far our best! Bernadette sings on every song. She has an excellent range can often sing both low high harmonies. Besides my guitar,

harmonica, mandolin, Bernie's flute, most songs have multiple tracks of Bernadette's harmonies. Ken Grossinger plays stand-up bass excellently (though barefoot, you can't smell his feet on the CD), John throws in some well placed percussion, an opening laugh. Most of it was recorded in 2002. We have changed bass players since then. Darlene Wentland-Wiktor is presently playing bass for us. My prayer is that you will not only enjoy both of these CDs but that they will bring you a little closer to knowing the one died on the cross rose again to pay the price for your sins. His kingdom is open to anyone who will turn to Him, ask forgiveness not be ashamed to call Him their Father!! Rom 6:23 For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord. (KJV)

Halleluiah!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! God bless, Paul
