Avante Garde to Fusion will leave no illusion of the style of The Jazz Apokalypse. 10 MP3 Songs JAZZ: Jazz Fusion, JAZZ: Free Jazz Details: The mission and ministry of The Jazz Apokalypse began in 1996 as a calling from the teaching and music ministry of Danny Chatmon. The desire and need for the "good news" of the gospel of Jesus the Christ to be manifested in the message and the music became a passion for him. Starting out as a DJ for special functions and weddings at his local church, Dan invisioned a greater ministry and mission. The genre of jazz music was always a joy and hobby of his. He learned to become a musician from listening and practice of the artist that were part of his music collection. Dan also has been a teacher of young adults at his local church since 1987. He has therefore combined the two works of faith to create The Jazz Apokalypse. If you ask why the name "The Jazz Apokalypse." He will tell you that he believes that we are living in the last days, and the urgency of reaching all the un-saved by any and all means necessary is tantamount in importance. THIS MAY BE THE LAST JAZZ U WILL EVER HEAR, DEAR. The images invoked in your listening to this music will range from the heights of heaven (things that cannot be spoken) to the depths of hell (things you don't want to hear). The Holy Bible passages that serves as the justification for this ministry comes from I Chronicles chapter 25: 1 - 8. Here, is the EVIDENCE OF PROPHECY THROUGH MUSIC AND SONG during the times of king David. Becoming an musician/composer/recording artist is a miracle. God gave the vision and the gift. NOW IS THE TIME OF THE JAZZ APOKALYPSE.
