

## Mp3 The Stefan Gaspar Project - Jazz: Jazz Vocals

[DOWNLOAD HERE](#)

A beautifully played record with a truly distinctive sound. Contemporary jazz compositions that are accessible. The lush vocals are a reminder that jazz once was one of America's most popular music forms. 12 MP3 Songs JAZZ: Jazz Vocals, POP: Delicate Details: Stefan Gaspar is an accomplished saxophonist and guitarist. To make it even more unique, he is also a great song writer and composer. He got his musical start at Berklee College of Music in Boston where he studied with Joe Viola, Herb Pomeroy, Charlie Banacos and Jerry Bergonzi. To date, he has released six CD's with his own band The Jazz Factory. His latest and greatest: The Stefan Gaspar Project. While he respects the tradition, he thinks that Jazz needs new songs and new ideas. That's why he writes songs and composes original music with a contemporary twist.
