

## Mp3 The World Without Magic Ep - Pop: British Pop

[DOWNLOAD HERE](#)

Lush, vocal-driven pop with ragged guitar, otherworldly synth work and a danceable rhythm section. 6 MP3 Songs POP: British Pop, ROCK: Glam Details: The World Without Magics debut self-titled EP owes more to the Big Star template of trebly 70s pop than to the early Talking Heads art-punk jitters a song like Never Begun drips with the same cotton-thin guitar that comprises September Gurls but The World Without Magic dismember their second-hand pop accoutrements and spread them out over five-minute periods, yielding languid, hazy songs that sound like 70s AM radio played at half-speed and hummed along to by lonesome drunks. - Stylus Magazine
