Related styles: ELECTRONIC: Industrial, ELECTRONIC: Electronica People who are interested in Amon Tobin Skinny Puppy Stendeck should consider this download. Details: After the critically-acclaimed album eLekatota - The Other Side Of The Tracks in 2008, Totakeke returns with a brand new full length album titled The Things That Disappear When I Close My Eyes. Building upon complex beats, enveloping atmospheres, chilling samples, and an utter complexity in Industrial rhythm, Totakeke once again delivers another extraordinary collection of work. In addition to the new album, The Things That Disappear When I Close My Eyes also includes a bonus CD of extra tracks + fantastic remixes by Flint Glass, Pneumatic Detach, Disharmony, Zentriert ins Antlitz, Lucidstatic, Autoclav1.1, Access To Arasaka, and more. Totakekes finest work to date.
