Lyric driven contemporary folk with a little pop and jazz seasoning. 14 MP3 Songs FOLK: Modern Folk, FOLK: Traditional Folk Details: Two Cat Folk, the musical partnership of singer songwriters John Ferullo and Betsi Mandrioli, draws audiences in with warmth and sincerity. Their unique styles blend to create subtle rhythms, rich harmonies, and an earthy passion for the music of the people. Betsis and Johns songs tell stories of real life, sometimes with humor, sometimes with compassion. The characters could be people you know, or they could be someones cat. You just never know. They also perform traditional and contemporary favorites from the folk tradition. For more information, see [johnferulloand elizabethmandrioli.com](http://johnferulloandelizabethmandrioli.com).
