

Mp3 Wake Clinard - Voices Of An Eclectic Collection

[DOWNLOAD HERE](#)

Acoustic instrumentals played on vintage guitars, mandolins, mandocellos, dobros and other beautiful old instruments 10 MP3 Songs FOLK: Progressive Folk, NEW AGE: Contemporary Instrumental Show all album songs: Voices of an Eclectic Collection Songs Details: Wake Clinard has been a songwriter for many years. He is also an avid collector of vintage American stringed instruments. His collection has grown over the years along with his mastery of these fine instruments. Now he has created a collection of original instrumental songs to showcase the unique sounds of these wonderful pieces of art. Wakes songs are at once haunting, melodic and beautiful a peaceful stroll through many different mellifluous sounds. If you love beautiful melodies played by timeless stringed instruments, you will really enjoy this CD. But Wake has gone a step further. In the CD jacket you will find high quality photos of the instruments played on each song. Take a moment to browse through these photos and the descriptions of these instruments. You will get to hear exactly what these combinations of instruments will sound like together. A real opportunity to look back in time and see craftsmanship as inspiring as the sounds these instruments make.
