This west coast album has a lot of different styles and lyrics that tell about everyday life on the streets in Stockton, CA. 10 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: West Coast Rap Details: This album has that bouncy West Coast sound with lyrics that range from unsuccessful relationships, media bias, and life in stockton. Young Wa is not trying to perpetrate. He's not rapping about rolling in big cars or living in big houses. Everything he's spitting in his raps is something he went through and it's the truth about living on the south side of stockton. Young Wa is a -advantage of his talent. young wa is keep it really hood you have to respect that- when i look at so-called positive rapper... i think, you can talk that way if you want to, but if the people who you marketing yourself to dont listen, you might as well not be saying it.young wa think you hopp you by my cd.....
