The book includes short stories about women's relationships. The stories describe the women's experiences, lessons learned, and how/why they moved on. An underlying theme of self-examination is apparent throughout. The stories promote an examination of who you are, what you want, what you need, what your limitations are, what you are willing to give or sacrifice, and what qualities you want in a man. At the end of each of the chapter's, insight into the relationship is provided from the woman's perspective. Although the relationships described are not representative of all relationships, the stories are entertaining and have a close resemblance to real life.
