

Php Paypal Ipn Digital Goods Store Script With Resale Rights

[DOWNLOAD HERE](#)

Premium Seo Friendly Buy and Sell Paypal Digital Goods Download Selling Store PHP Script allows both buying and selling of digital goods to take place on your own website. This script has lots of Features similar to all the big sites like Tradebit, Payloadz, Clickbank etc... This IPN PHP Script is not at all by any means a clone of any of the websites listed above it just has Some very unique and fairly similar features that they all have! Script Features: * You and Your Sellers Can Sell For Free with there own paypal * Sellers Can Upload And Sell Unlimited Files Securely Using Paypal * Buyers Get There Download Files Instanlty (no wait time for your buyers) * Buyer Can Buy Without an Account * Comes With Related Tags * SEO Friendly, using Title tags, Meta Tags and Description Tags. This script is very seo friendly and can help you and your sellers sell almost anything from ebooks, software, templates, website scripts and more! Does come with an admin panel in the admin panel you can, show a under maintenance message, make listings featured to show on the home page. All listings Robots Meta tags are set to Index, Follow but from the admin panel you can make a certain listing to be different if needed. From the admin panel

you can edit and delete listings, Send Newsletters and a few other things. This site is easy to install and comes with full install instructions to help you install it encase needed. Comes nice and clean with no spam or junk links pointing to any other websites on it. This script comes Free for the sellers without listing fees and without final sales fees.(You could re-script and add any functions need if you know how to do so) You could also add your own advertisement on the website or affiliate type ads to help yourself earn some extra cash! Requires hosting with PHP and MySQL enabled (Most free ones won't work).
