eWriter Pro ===== Everything You Need to Create Beautiful Professional Quality eBooks at the Touch of a Button If you are looking for a way to ethically make money on the internet, then the creation of information products is by far the easiest and most rewarding way! An \$8Billion Market, the opportunity of the millennium is - eBooks! There are very many ways you can make money on the internet but when you boil it down, there are a few basic methods that really do work. This strategy can get you rolling very quickly - by Selling Digital Products. All you need to do is 3 Simple things ... 1. Create a Paypal account. 2. Setup Hosting 3. Get Something DIGITAL to Sell! Now that doesn't sound hard does it? And it's not! Step 1 is easy and also - free. Just visit the website and sign-up - easy. Heck, you probably already have a PayPal account! Step 2 is not too difficult. You just need somewhere online to host (store) files for you so people can download them automatically after they purchase ... or ... you can simply email them the eBooks after they pay - easy! OK now for ... Step 3 - you need something DIGITAL to sell. Why digital? Because you can sell it over and over again for 100 profit. How to Create Your Digital Product All you

need is something DIGITAL that you have the rights to sell - and you are on your way to becoming a software mogul. Just like Bill Gates eh? If you can type ... then you can create eBooks - quickly and easily with our new professional ebook creator eWriterPro! Making money has never really been easier with this method - it's just three easy steps ... 1. Type your Text ... 2. Click the PDF Icon ... 3. Click the Save Button! How to Sell Your eBook There are many places you can sell your eBook online including, of course, eBay! Once you have an eBay ad that works well, you can list it time after time and literally create your own money-tree. People will buy your product and download your files on completion of their purchase - all automatically - and you get paid straight into your Paypal account - lovely! Once you have a hosting account setup you can literally sell from anywhere you can advertise online simply using Paypal - it's easy! What About eBook Covers? There's no question about it - you will need a good cover. There are free and paid alternatives on the web and I'll show you where to get the best of both! I know where to get the best because selling eBooks is exactly what I do - and I'll show you how I do it so successfully. I'll show you the method that works and I'll also give you the tools - including an array of free quality eBooks you can sell immediately for 100 profit!!! Even More Good News! Oh ... I nearly forgot! You also get Master Resale Rights to this software, a copy of this Sales Page and a copy of the Manual telling you how to do it all - so, if you don't fancy writing (and even if you do) you can resell this complete package for 100 profit too! eCover Monsters ===== Header & Graphics Blowout! If you've been banging your head against the wall trying to figure out how to make the perfect header. Then YOU Need This Header Pack! And I will also throw in! I'm going to throw in 2 special bonuses of my 5 Halloween Header's plus Web Graphics Pack this package has a TON of awesome icons, arrows, buttons, numbers, seals and more!
