

# The Transformed Life - John R Carter

Personal transformation requires radical change. It has been said that the only thing you can count on in this world is that nothing stays the same. You can change your address, your job, your wardrobe, your friends-you can even change your name-BUT your life will not transform until you change the way you think. Becoming a Christian ignites the process of transformation. Your relationship with God, eternal destination, and true self become new. Yet even with all these wonderful changes, we are left in a world, remain in a body, and are stuck with a mind that is pretty much the same. In this book, John Carter will teach you that God has designed a plan of genuine transformation for every person, one that goes far beyond the initial moment of salvation. Whether you realize it or not, you have the capacity and power to influence the direction of your life through a dynamic relationship with Jesus Christ. You can change. Here's how. One of the greatest challenges people face in today's culture is how to connect. In a distracted, disrupted, and rapidly transforming world, how do we meaningfully engage with others, ourselves, and God? That's why "The Transformed Life" by John Carter is so important. It's a road map for experiencing what the Bible teaches about personal transformation. We'll never transform our culture if our lives are not changed first, and this is an owner's manual for biblical change.
