The extreme Sensei, is a sadistic martial arts instructor who has had her license revoked due to extreme teaching methods which hospitalize and injure her students, some of these methods include demonstrating the effectiveness of the arm lock by putting her students in the lock and keeping it on until she has broken their arm, having an initiation for new students which involves her beating them unconscious so they get use to pain before she will accept them in her class. She seeks revenge on the government agent who revoked her's license and shut down her dojo. She loves to use her feet to dominate and humiliate, but after subduing her victim and tying him up, he can't do anything but be used as her training dummy and take the pain over and over. Sybil Starr is your extreme Sensei. 21 minutes, \$18
