

Groundwater Dynamics In Hard Rock Aquifers

[DOWNLOAD HERE](#)

Forword- Preface- An Introduction to UNESCO s International Hydrological Porgramme- About the Editors- Hydrogeological Research in India in Managing Water Resources- K.D.Sharma and Sudhir Kumar- Nature of Hard Rock Aquifers: Hydrogeological Uncertainties and Ambiguities- B.B.S. Singhal- Overview of the Hydrogeology of Hard Rock Aquifers: Applications for their Survey, Management, Modelling and Protection- P.Lachassagne- Geophysical Characterization of Hard Rock Aquifers- N.S.Krishnamurthy, Subash Chandra and Dewashish Kumar- Application of Remote Sensing and GIS in Groundwater Exploration- S.K.Nag- Pumping Tests: Planning, Preparation and Execution - K.Subrahmanyam and Haris H.Khan - Various Pumping Tests and Methods for Evaluation of Hydraulic Properties in Fractured Hard Rock Aquifers- J.C.Marechal, B. Dewandel, K.Subrahmanyam and R.Torri- Analysis of Aquifer Parameters from Different Hydraulic Tests and Their Scale Effect- J.C.Marechal, Faisal K Zaidi and B.Dewandel- Upscaling of Slug Test Hydraulic Conductivity Using Discrete Fracture Network Modelling in Granitic Aquifers- Dominique Bruel, Faisal K.Zaidi and C.Engerrand- Groundwater Balance at the Watershed Scale in a Hard Rock Aquifer Using GIS- J.C.Marechal, L.Galeazzi and B.Dewandel- Water Budgeting and Construction of Future Scenarios for Prediction and Management of Ground Water under Stressed Condition- Faisal K.Zaidi, Benoit Dewandel, Jean-Marie Gandolfi and Shakeel Ahmed- Applying Geostatistics: Basic Knowledge and Variographic Analysis with Exercises- P.S.N. Murthy, Tanvi Arora and Shakeel Ahmed- Kriging for Estimating Hydrogeological Parameters- Shakeel Ahmed and K.Devi- Application of Geostatistics in Optimal Groundwater Monitoring Network Design- Shakeel Ahmed, Dewashish Kumar and Aadil Nabi Bhat- Reconstruction of Water Level Time Series in an Aquifer Using Geostatistical Technique- Dewashish Kumar and Shakeel Ahmed- Governing Equations of Groundwater Flow and Aquifer Modelling Using Finite Difference Method- Shazrah Owais, S. Atal and P.D. Sreedevi- Simulation of Flow in Weathered-Fractured Aquifer in a Semi-Arid and Over-Exploited Region- Shakeel Ahmed and P.D.Sreedevi- Regional Simulation of a Groundwater Flow in Coastal Aquifer, Tamil Nadu, India- L.Elango and C.Sivakumar- Hydrogeology of Hard Rock Aquifer in Kashmir Valley: Complexities and Uncertainties- G. Jeelani- Index EAN/ISBN : 9781402065408

Publisher(s): Springer Netherlands Format: ePub/PDF Author(s): Ahmed, Shakeel - Jayakumar, Ramaswamy - Salih, Abdin
