It Is Time To Change The Way You're Doing Business Online! From the desk of Mieke Janssens & Terry Jett Date: Hi! Every marketer knows that building a optin mail list is the single most important thing you must do when doing business online, as you are able to market to it over and over again. Visitors who are interested register to get the info/product/service you promise to deliver, the others just zap away... What A Waste! Think about it...once a visitor clicks off your page, they're gone forever. Since they didn't leave their email address, there's no way you can contact them again. .
