Keep them moving and you will keep them learning. Educational and physically interactive songs that keep your kids marching, wiggling, clapping, swaying, tapping laughing. NO COUCH POTATOES HERE. (Toddler thru Kinder) 28 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Children's Pop Details: "Movin' Shakin" is dubbed part of the "Smart Moves Series" by educators. Children sing and dance to this captivating music with educational, interactive lyrics that keep them stretching, swaying, banging their drums, making letters, tapping their toes, jiggling their seats, and laughing to both familiar and original tunes. Some songs even have a bilingual twist. Before long, youngsters are singing along, moving various parts of their body, and following simple directions - all while identifying colors that surround them, counting off from 1-20, and scaling their ABCs. It's so much fun; they don't even know they're learning. This flagship CD of the series takes children "Movin' Shakin" through 30-minutes of all new action-style songs - NO COUCH POTATOES HERE! Recommended for children age toddler and up. Also available: "Hoppin' Boppin' for Youngsters" and "Animal Romp", another interactive, educational CD in the series that teaches children about wildlife, animal characteristics and facts. Both were featured in Scholastic's "Early Childhood Today" magazine. Look for these titles on VHS or DVD. For age toddler and up. A quick-view educational guide is in the cover of each music CD. Lyrics and free educational activities are available at AbridgeClub.com.
