Bevlyn's music is often likened to a cup of fusion tea – an expression of the wild, the sensitive, the angst, and the lonely. 6 MP3 Songs EASY LISTENING: Vocal Pop, JAZZ: Gypsy Jazz Details: A singer-songwriter hailing from tiny island Singapore, Bevlyn has aspirations to make music with influences from all over the world. When she is not singing at various cafs and pubs, or taking on the role of a wedding-singer under the umbrella of A Little Dream which she co-founded, she loves to write songs, of which a few have been sold to Taiwanese and Chinese artistes. Bevlyn's ability to sing an eclectic mixture of English, Mandarin, Japanese and French has commanded a solid following and respect across various ethnic groups and ages in and out of Singapore. Bevlyn's open-mindedness to a wide spectrum of music has led to her own music often likened to a cup of fusion tea – an expression of the wild, the sensitive, the angst, and the lonely. Her lyrics explore her own experiences and the experiences that the common man can relate to. Bevlyn's debut EP album 'Lonely Afternoon' was launched in January 2008 and consists of a mix of English and Mandarin numbers, and even a French cover, La Vie En Rose. Autographed copies are available at CD Baby. For more information, please go to [bevlynkhoo.com](http://bevlynkhoo.com) People who are interested in should consider this download.
