

Mp3 Chris Bellamy - Down In The Keys

[DOWNLOAD HERE](#)

A little country flavor mixed with a jazz-blues influence of Ray Charles, Jimmy Buffett, James Taylor and Carlos Santana. A country island style, beach town kind of sound. 10 MP3 Songs COUNTRY: Country Rock, BLUES: Jazzy Blues Show all album songs: Down in the Keys Songs Details: Chris Bellamy, Live, Down in the Keys with Key Players. This is a cd I recorded live from the stage when I was performing in the Florida Keys. It features Paul Case of the Case and Davidson Band on Lead guitar, Ken Fradley on flugel horn, trumpet and percussion, Red Seidman on fiddle, Steve Webb on fiddle, Clarence Clemons on Sax and Chris Bellamy on rhythm guitar and lead vocals. We had a great time making this cd and it was done over a season in the winter months. The cuts on this cd are a selection of works that friends and I thought held more of the magical moments that we experienced as fellow players. It was a great time and we made some great music. I hope you enjoy this cd. It has a lot of flavor of the Florida Keys and it's people. It's like a little musical trip a few years back, Down in the Keys, with Key Players.
