The company is set to release its debut album entitled Dirty World Presents... Da Beatboyz "From The Ground Up," in February 2004. The project, which was produced entirely by the duo, features Dirty World Entertainment Hip-Hop artists Da' Beatboyz and Shadow, as well as, rising R&B starlet Sweetie; along with appearances by Curren\$y, Tommy "Beez" Brown, the recently deceased Soulja Slim, and several other hot Hip-Hop artists.
